

Dear APR Plus Customer,

This booklet outlines the limited powertrain warranty applicable to your vehicle. Please read this document carefully to understand your rights and obligations.

The APR Plus limited powertrain warranty has coverage that matches the term of your factory powertrain warranty.

APR Plus performance engine software is designed to work with the minimum gasoline octane rating required by the manufacturer for your vehicle. You can find this information listed on the inside of your fuel filler door. Despite this minimum, APR highly recommends the use of premium fuel (typically 91 or 93 octane depending on your location) for all APR Plus software.

If you have any questions about this limited powertrain warranty, please contact APR at:

Have **Your Vehicle** checked and serviced in accordance with the manufacturer's recommendations, as outlined in the Owner's Manual except for engine oil changes. At the increased power level of APR Plus, APR recommends changing your vehicle's engine oil every six months or 5,000 miles, whichever comes first, to ensure the long term integrity of the engine. What to do if you experience a Breakdown:

The operator is responsible for observing vehicle warning lights and gauges, and taking appropriate action immediately. Failure to do so, may result in the denial of coverage.
2. Take Your Vehicle to a Licensed Repair Facility - If **Your Vehicle** breaks down, take it back to the dealer that you purchased APR Plus from. 3. Provide the Licensed Repair Facility or Us with a copy of Your Limited Warranty and/or Your Limited Warranty Number.
4. Obtain Authorization from Us - Prior to any repair being made, instruct the Service Manager at the **Licensed Repair Facility** to contact **Us** to obtain an authorization for the claim. Any claim for repairs without prior authorization will not be covered. **We** will provide authorization for covered repairs as soon as reasonably possible after such request for authorization is made, and within normal business hours. The amount **We** authorize is the maximum amount that will be paid for repairs covered under the terms of this Limited Warranty. Any additional amount must receive prior approval from **Us**.
5. Authorize Teardown and/or Inspection - In some cases, **You** may need to authorize the **Licensed Repair Facility** to inspect and/or teardown **Your Vehicle** in order to determine the cause and cost of the repair. **You** will be responsible for these charges if the failure is not
